

CAMBRIDGE AT HOME

We invite you to join us!

Welcome Belmont residents! Effective October 1, 2010 **Cambridge At Home (CAH)** will extend membership to Belmont residents? Have you joined yet?

CAH, founded by Cambridge residents in October 2007, is a cooperative community formed to ensure its members the timely availability of services similar to those of a retirement community. Our professional staff helps members obtain such services promptly and at a reasonable cost.

CAH gives members access to vetted service providers, monthly social and cultural programs, free exercise classes, a grocery shopping service, vendor discounts and more. Home maintenance, home health care, transportation, snow removal, yard work, odd jobs, carpentry, house cleaning, and meal preparation are just a few of the service areas where CAH can help.

CAH has over 20 Belmont Charter member households already and our goal would be to enroll 50 households in 2010-11. Just complete the [application form](#), return it to our office and enjoy the benefits of membership. The annual membership fee is:

2 person household - \$1,200.00 per year

1 person household - \$ 900.00 per year

If you would like to attend an Open House meeting in the future please call or email our office and we will add you to our contact list. If you would like to host an Open House for 12-15 of your neighbors or friends please contact our Executive Director, [Kathy Spirer](#).

Help us spread the word by copying the [application form](#) and giving it to neighbors or friends who might benefit from a little extra help to stay safely at home as they grow older. If you cannot print out the form just call the office and forms will be sent to you in the mail.

We look forward to hearing from you!
